

Q. How do I apply for extension of the project registered under MahaRERA?

The project extension module is available for projects approaching completion date. A promoter can apply for project extension for a maximum period of 1 year.

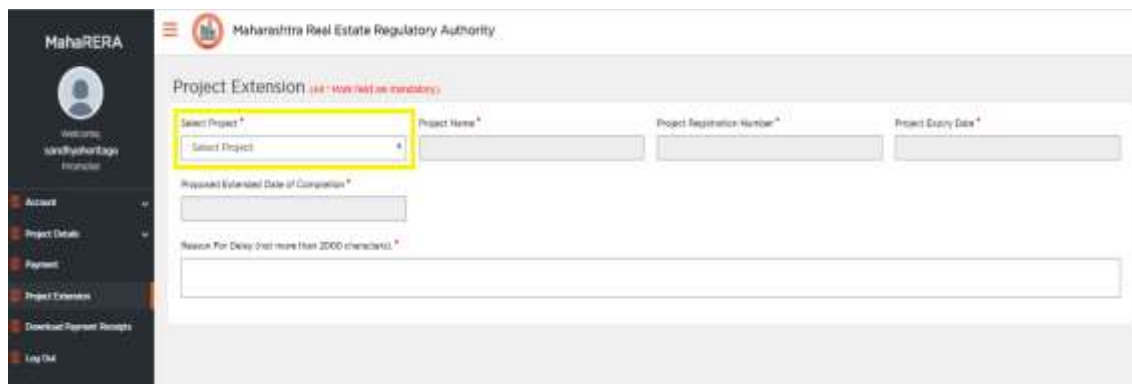

➤ **Extension Module**

The extension module can be accessed in the project application by following the below steps

1. Login via the Online Application to access the MahaRERA portal with your username and password.
2. Click on the “Project Extension” tab available on the left section of your login page

3. The Project Extension application page will appear. Kindly select the project.

- After selecting your project, system will provide the current fields for registration number, expiry date and upload fields will become available. The proposed extension date of application has to be entered.
